**Student A:** My family is smaller. I have one brother. No sisters.

**Student B:** That's nice! How old is your brother?

**Student A:** He's 18. He's younger than me. Are your brothers younger or older?

**Student B:** One is older, and one is younger. My sister is the youngest.

**Student B:** What do you and your family like to do together?

**Student A:** We like to watch movies on weekends. How about your family?

**Student B:** We enjoy going to the park and having picnics.

**Student A:** That sounds fun! Do you see your grandparents often?

**Student B:** Yes, we see them every month. They live close by.
